Eye Music Trust presents

Colourscape Music Festival Tour 2022 Symphony of the Elements 2

Following the huge success of our 2018/19 country-wide tours Arts Council England have funded Eye Music Trust to tour our Colourscape labyrinth of colour and light, plus Special Needs workshops and events throughout the country.

* **Elemental Symphonies** take place in Colourscape in Wentworth Woodhouse, Winchester, Colchester, and Wellingborough. New and unusual instruments create sounds of Metal, Air, Wood, Water, Earth while dancers lead the public on a journey through colour and space.

Musicians include Michael Ormiston, Ansuman Biswas, Beibei Wang, David Stevens (computers and sensors) and Lawrence Casserley (computers) with dancers Jemima Brown, Lisa Rowley and Tanya Richam-Odoi.

* **We present a special Music of the Spheres show** at Midland Arts Centre (Aug 14).

* **We present Special Needs performances and workshops throughout the country.**
